## Message from the Patron

  
Maj Gen Rajesh Sahai  
AVSM, SM

The management committee is ever thankful to the OSAPS who have nurtured the school over the years. I believe, the OSAPS are the SOUL of APS, DK, wherein the interest of the school would be paramount like a nurturing parent.

I am sure the present generation of students would look up to the OSAPS fraternity and would be mentored by you all, for assisting them for the first nascent steps into the professional world, to earn a name and space in the society, as has been done by our OSAPS.

Please accept my heartfelt gratitude for your continued support to our future generations of APS,DK.

## Chairman's Message

It gives me immense pleasure to be associated with such a vibrant ex-students' association. The list of ex-students doing well in various fields is a virtual who-is-who in this country. A large part of, what the school experiences today, is a direct result of the investment made by the predecessors over the ensuing decades.

Each one of you is an important part of the 60 plus year educational heritage of the school and we wish to strengthen that heritage by celebrating you & your accomplishments. There are numerous paths for you to reconnect & become involved with the school. Please consider ways for sharing your time & talents.

Sky is the limit. Keep exploring!!!

  
Brig Sanjay Sajjanhar

## From the Principal

  
Mridula Pant

APS DK has made history in every part of the world through its students. The OSAPS are the true ambassadors of the school and I am sure they will continue to be role models. New knowledge and the use of new technology has resulted in a way of living which was unimaginable a few decades ago. These converging trends have put tremendous stress on individuals and society as a whole. APS DK has always endeavoured to shape dynamic young minds who are able to chart their own course in life and, above all, are capable of 'flying with open wings with their feet grounded in reality'. May each new day bring inspiration for a larger and fuller life for you and a fairer and better world for all.

Move ahead in life but do not forget your roots. Do come back to visit your school year after year and participate in its future.

Wishing all the members of OSAPS the very best....

Actress  
Manisha Koirala  
(88 batch)

## *Ira Singhal Topper IAS*

*Ms Ira Singhal, the UPSC topper 2014, was felicitated by the Chief Guest, Lt Gen K J Singh AVSM\*\* GOC-in-C, Western Command. The occasion was graced by GOC Delhi Area, Lt Gen and MrsRajanRavindran, her proud parents, her class teacher Mrs. Chhavi Ghosh, in 2001, the School Chairman, the Principal and many august personalities from the Army were present on the occasion. She was felicitated with a silver plaque, a stole and a coffee table book of the Western Command. Her teacher and mentor Mrs. Ghosh was also honoured. Ira Singhal was congratulated on her success.*

## APS. DhaulaKuan Alumni pitch in to make a difference !!!

OSAPS Welfare Association Executive Committee, volunteered to monetarily contribute in a big way towards 'Waste to Energy Initiative' i.e. installation of Biogas Plant in the school, as a noble gesture towards giving back to the alma mater. The Primary aim of this initiative is to sensitize a strength of 4000+ student community towards segregation of waste at source, in sync with the 'Global cause : Save the Planet Earth.'

In order to propagate the principle of 3Rs ( Reduce, recycle & Reuse ), a week long awareness campaign was launched in the school, in the month of Oct., which comprised of taking a ' Go Green' pledge by the whole school in the morning assembly, followed by a mosaic of activities based on experiential learning, on different days of the week.

In continuation with the 'Waste to Energy' Initiative, the biogas produced is being used in the Hostel Kitchen for cooking & the residual waste of the biogas plant has been instrumental in launching the next big project of 'Organic Farming' in the school, in an attempt to create a sustainable cycle. A variety of seeds & saplings of vegetables have been sown. The true colours of this educational venture will be prominently visible very soon.

Besides this, since the waste is being segregated at classroom level, the project of 'Recycling of paper' is also underway in the school. A 'Parent Volunteer' Committee has been constituted. The contribution of the parents is much appreciated.

### Mr. VIVEK YADAV ( 2004 batch )

Working as Director, *ENTECRES Labs Pvt.Ltd.*

His current project is STEM Application Program.

Vivek donated a huge no. of Robotics & STEM kits to school along with 'know-how', for different classes, to start the '*Robotics & STEM lab*' in the school.

### Summer Internships :::

The following alumni offered & went out of their way to provide '*Summer Internships*' in their respective field of expertise, to the present Class XII students, last summer.....

# 12th OSAPS REUNION 2015

The 12th Annual OSAPS Reunion was held on 14th Feb 2015. The turnout, like all previous reunions, was large and impressive.

The jubilant and cheerful Silver Jubilee batch of 1990 made a "gate crashing entry" into the school complex.

The compere of the event - Ms. Gauri Bhola from 1986 batch extended a warm welcome to The Chairman Brig. Mukesh Bansal, Principal Mrs Mridula Pant, all OSAPS and teachers – retired and serving.

Participants from different batches played games competing in tying sarees, turbans, peeling potatoes, threading needles, etc and the rest of the crowd cheering their favourite team which filled the auditorium with fun, frolic and laughter.

After cake cutting by alumni from Silver Jubilee batch of 1990, the Chairman and Principal addressed the gathering followed by the unveiling of annual OSAPS magazine 2015 by the Chairman and Principal for distribution among all those present. The batch of 1989 then came on stage to present their coffee table book to the Chairman and Principal.

Rishi from 1990 batch played a few fantastic songs and tunes on his saxophone he had brought with him.

While different batches were getting their group photographs clicked on stage, Mrs Shivranjani Yadav w/o Vipin Yadav (1998 batch) sung a few songs (without instruments) in her melodious voice which left everyone asking for more.

Forever Together.....

"One Decade of 2006 Batch"

On Your

## Retirement ,

*Mr. Khurana needs no introduction as he has several feathers in his cap from automation of our institution to taking the students to the closest proximity to nature .Due to his personal commitments he has left the APS family but we all will remember him as an indispensable part of our institution. He was a symbol of true dedication and sincerity.*

Mr. Khurana Sir

## Remembrance ..

*Gone, yet not forgotten,  
Although we are apart.  
Your teachings live within us,  
Forever in our heart.*

*Deep in our hearts we miss our dear  
Mr Virkaran Sir.*

*He may be gone but his memory will  
live on in our hearts forever.*

Mr. Virkaran Sir
