Ms Komal Sood our present Principal did her schooling from Sardar Patel Vidyalaya, New Delhi.

She was a University Gold medalist for securing the first position in MSc Biochemistry from Delhi University.

She worked with The Shri Ram School, Mousari Campus, Gurgaon, for 20 years, steadily rising from a Physical Education Coordinator, Academic Coordinator, Vice principal to finally the principal in her 13th year with the school. She was the principal of The Shri Ram School, Gurgaon for 7 years and had the distinction of being the youngest principal at the age of 36 years.

She left Shri Ram School to join The Shiv Nadar Foundation as Director, Curriculum & Training, VidyaGyan Schools. These are schools run for the rural, meritorious but underprivileged children from the state of UP and she worked with them for 2 years.

The next 3 years she spent as an independent education consultant doing teacher trainings with multiple schools like Mayo Girls, Scindia School to name a few.

She is also on the board of schools like Vishwas, a school for differently abled children from urban but underprivileged backgrounds & Sagar School.

Teaching is a passion for her and one prominent reason for coming back to a school was because she love being inside the classroom with children.

Apart from being an excellent educator, she is a die hard sports buff and a Bollywood freak who loves dancing and is a total foodie. She is a true Punjabi !!

# ANNUAL OSAPS REUNION HIGHLIGHTS

The OSAPS REUNION held on 10th Feb 2018 was a historic day and a very significant milestone in the history of OSAPS and APS. It was the 15th consecutive year that the Annual OSAPS REUNION was being held without a single gap year ever in the 66 years of our school.

The last 15 reunions have brought together hundreds and hundreds of OSAPS and also reconnected them to their roots, their Alma Mater.

This has been possible due to the efforts and participation of each one of our Alumni and also the Principal, faculty and management of APS whom we thank from the core of our hearts.

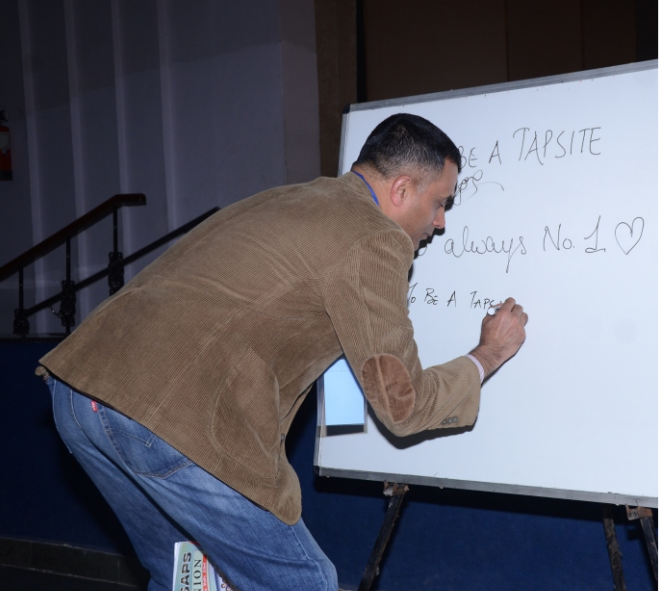

On the occasion of our 15th consecutive reunion, there was a large gathering of cheerful, happy individuals with loads of fun and nostalgia all around.

The Silver Jubilee batch of 1993 made their presence felt by their large numbers (no one bunked for a change) as also the batches of 1998 and 2008 celebrating their 20 and 10 years of passing out respectively.

The present and ex teachers too graced the event by their presence with a special thanks to our former Principal Mr S. P. Bakshi who came to bless his students despite being unwell.

All OSAPS could be seen taking pics and selfies in all corners of the school campus where they spent the most beautiful years of their lives.
