Dear friends,

The OSAPS is not just a group or association of people. It's an awesome, huge family with all members mentored by the most talented and caring gurus in the universe - OUR FANTASTIC TEACHERS.

We now have OSAPS chapters in many cities and provinces around India and the globe. We have active chapters in Toronto, Mumbai , USA, Punjab, etc and more chapters are being created.

Whenever I meet my fellow alumni in person or otherwise, their emotional connect with our Alma Mater and its alumni is way more than one can imagine.

I am immensely thankful to God Almighty to have given me the opportunity to be groomed by the incredible teachers at APS that mentor developing minds to make them wonderful humans and feel privileged to have such awesome schoolmates as friends.

Thank you God and Thanks to our teachers who made us what we are today.
